Price Range

Medium

ABOUT

Since 1880 and in the heart of the Haute Provence and along the mythical Durance, not far from the famous Gorges du Verdon and Luberon, the vineyard of Château St-Jean Lez Durance extends over 33 hectares of vines in appellation AOP Pierrevet and IGP Haute-Provence. For 5 generations, the family of Herbès cultivates with passion its vines with the southern grape varieties, giving nobility and character to the vintages of the field. Rich in many soils, clay-limestone or safre hillsides, gravelly or silt terraces, Château St-Jean Lez Durance offers a wide variety of wines that have made it famous.
